

Long Preston Playgroup

Help Needed!

The majority of the Playgroup Committee will be standing down at the AGM on 28th September. The positions vacant will be: chairman, secretary and committee members. While traditionally these positions tend to be filled by parents, there is no reason why a proportion of the committee can't be from the local community; playgroup really benefits from a committee with a wide range of skills, knowledge and life experiences.

Being part of playgroup is a chance to help the Early Years education of the youngest members of our community; as well as a chance to gain new skills, or share existing ones.

The current committee would like to invite members of Long Preston and the surrounding area to consider joining the committee for the year 2010/11. Our AGM will be held on 28th September, in the Little Learners' Centre at school. Copies of the constitution and responsibilities are available at playgroup (tel: 840800), or call Moraig on 840661 for more information.
